City of Melbourne Council Elections
Teams for Lord Mayor and Deputy Lord Mayor
Their policies and personal profiles can be found here:
[Melbourne City Council-Leadership Team-Web Candidate Statement.pdf (itsitecoreblobvecprd.blob.core.windows.net)](Melbourne City Council-Leadership Team-Web Candidate Statement.pdf)

Often their policies don't help to differentiate them or help identify their political values. Whereas their preferences do.

Below shows the preferences for each team as you read down the column for the team. Which teams are placed last (No 11) and by whom?

The table from top to bottom and left to right is the order on the ballot paper.
